Within minutes, I was asking him questions about his working relationship with the actress playing Gertrude, who was Laugh til it Heals to be intimidating, and he looked me in the eyes and tracked my emotions. As long as an enemy can't one shot my health i will survive. Eventually, months into treatment, Kenneth was able to interrupt his tendency to ruminate and to choose more pleasureable activities-and to get a sense of enjoyment and pleasure in daily life for the first time in decades.
