She has worked in special education, further and higher education both in the UK and Australia. She is a special educator with extensive experience and knowledge of educational programs and service provision for students with autism spectrum disorders ASDs gained over 30 years. Simple Strategies That Work! TheDyslexicAdult. At Kobo, we try to ensure that published reviews do not contain rude or profane language, spoilers, or any of our reviewer's personal information. Covering developmental issues, educational challenges, fostering social interactions, and managing challenging behaviors, this book will be invaluable to parents and key support workers. Written from the perspective of a mother and teacher, this book offers a personal and yet comprehensive guide and aims to build a bridge between parents and teachers in order to serve the child with autism. This must-have resource consists of a brief discussion on data collection on the myriad ways that autism affects pupils and their education, it covers key training strategies around autism including maths, physical education, sex and relationships, behaviour management and .
