Laura is torn between her need to stay with Hannah and to her older daughter.

The only problem - Daniel is her stepbrother. Not to be read for light entertainment, With Angel's Wings is not a lighthearted romp for the vaguely curious, it is gritty, realistic, honest, thought provoking and at times emotionally hard going so I would recommend it for the On Angels Wings reader. Readers also enjoyed. I felt she could have given a wee bit more importance to other characters.
