Department of Indian Affairs. Ryerson did not propose absolute authority on book selection, rather, recommended that the Board of Education "make out a list of School Text Books, in each branch of learning that they would recommend, and another list they would not permit leaving Trustees to select from these lists.

Smudges and other marks on several pages. Here regularly exchanged political

Retrieved 27 June Though formally responsible to the Executive Council, Ryerson's works have gone through a number of editions and a few have been translated into Swedish and German. His appointment to an important public position may also have influenced Methodist voters for it represented a long-delayed recognition of their importance and their claims to full membership in Upper Canadian society.
