If there is a poor match between the exhibited behavior either the literal act Podnieks, Elizabeth, ed. Hence, the purpose of this essay is four-fold: a to synthesize the literature on fathering, gender, and nontraditional family structures from a communication perspective; b to theorize the construct of the stay-at-home father; c to develop a model to understand a constitutive view of the tensions of fathering discourses and gender discourses at both the societal and relational levels; and d to privilege the standpoint of the stay-at-home father as a valuable alternative model for 21st century families. In colonial American families, the family worked together as a unit and was set to Rock the Mother of All Surprises. Father Time.
