What RandallStevens seems to have been describing was nothing less than a massive underground complex that had never even been suspected. Readers who enjoy freestyle interpretation might also relish two good anthologies, Congregation: Contemporary Writers on the Hebrew Bibleedited by David Rosenberg, and Incarnation: Contemporary Writers on the New Testamentedited by Alfred Corn.

Journeyingthroughafantasticalworld,acreaturescornedforhisappearan Perhaps as a historian Boorstin is more comfortable with matters of fact than with questions of appreciation, for there remains something cold, unloving and sometimes even derisive in much of his writing about art and its practitioners. May I just add, this is an awesome idea! There is no evidence so far for whether this kind of activity continued after the seventh century ce, when Egypt was controlled by Muslim rulers.
