As her wedding day draws close so the revenge and secrets of the two families come poring. In the domain of order, things behave as God intended.

For starters, gelato has less air than ice cream. I know, I say. They can cooperate. Because your position is secure, the future is likely to be good for you. Descriptions are so immediate and evocative I felt as though I was about to step into a Monet painting. It would be terrific if you liked the book as much as we all. But here let me make a digression. How did your eating disorder start?
