I got in a cab and told the driver, "Hotel," but she didn't know what that meant, so I threw up my hands, and she took me to the old part of town, the part that was built eight hundred years ago and had withstood the earthquake and was being preserved as a living-history theme park. They said they worked for the China International Travel Service and had just flown into Zhongdian that morning for a tour of the area. Itwaslikeskiingrightbehindafriend. Despite this we were all able to hook a fish or two and feel a few takes. Allowing even minor distraction when engaged with a fish will work against you. Doyourememberit?Over pages of in-depth discussion, drawings, and minutia help even the most nascent angler put some class in their cast.
