Saturday I passed my Element 3 test with 2 wrong answers. If you are one of them, thanks for downloading or purchasing one of my study guides. Have to wait in line at the DMV, perfect time to practice!

I recently read the first technician class and passed the exam with only one wrong answer. March 19, at pm. Despite what I said back in I do indeed have an Extra Class study guide .

The General Class question pool is being updated on July 1, February 9, at am. I used this book over three weeks and then took the Technician Exam and passed missing only one question - one of those "all the above" questions. When you are finished with this book, not only will you be able to pass the test, but you will also have a basic understanding of the concepts you will encounter when you get on the air.
