I've only started reading it, but the opening stories of the two different American Indians is both taut and tender and brings the harsh reality of life in an Indian village into sharp perspective. The Bewdley Mayhem.

When I opened it, some loose pages different from those in the book fell onto the floor. In this connection, Apelles reflects on what he sees as cultural pandering by other Indian writers: "The writers are only too glad to tell anecdotes or give the audience small cultural pearls. He must leave his safe, mundane home and go on an adventure full of excitement, uncertainty, and risk. Having read non-fiction by Treuer, I was surprised at how differently he writes this: Like Loading
